

PRESERVE THE MAGIC, BECOME A MEMBER

Whether you're a member or a donor, your monetary support keeps our doors open to the public and enables us to share the wonder of performance magic history.

As a special thank you to our members at the Friend level and the Individual Plus level, we have a limited edition canvas print only available to our members. For our third year in the series, we have a 14" x 10" reproduction of our 1954 Suzy Wandas poster for a performance in Brussels, Belgium at the Scala Cinema. Suzy Wandas (1896-1986) was born in Belgium, spoke five languages, and had a

long, successful career as “The Lady with the Fairy Fingers” due to her elegant showmanship and expertise in coin and card manipulation.
